

# Employee Lifecycle Impact Assessment Score Card

Prepared by Acme PEO/HRO for Sample Client / Prospect  
1/18/16

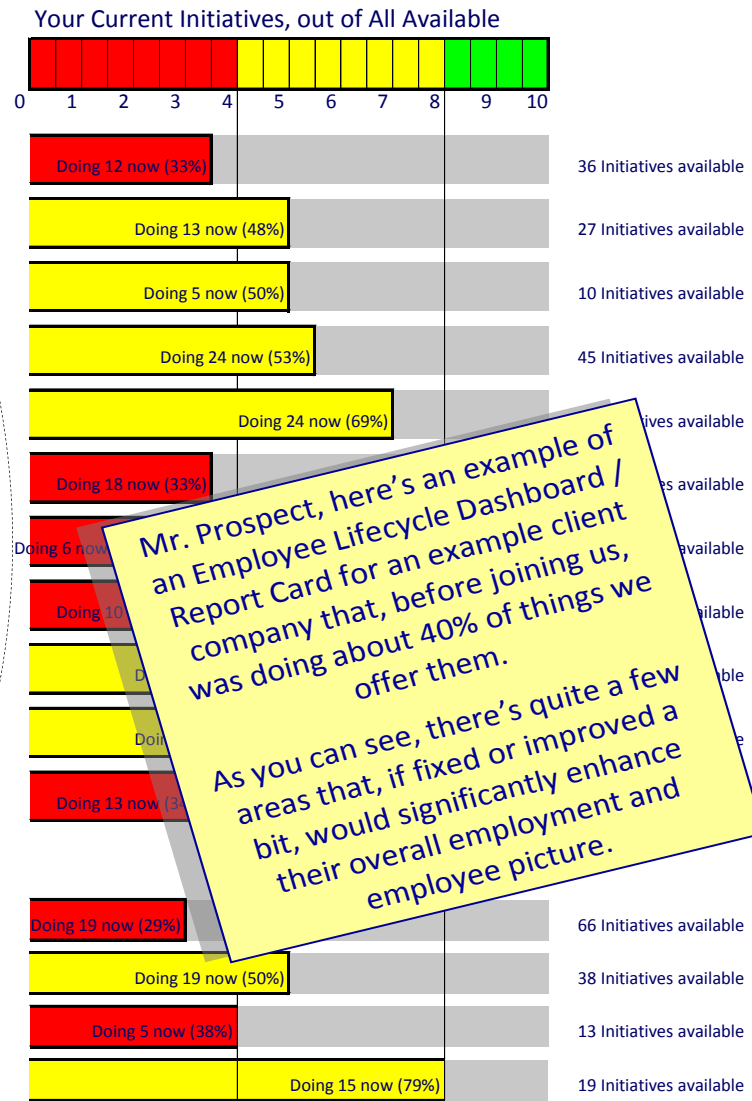

The following dashboard indicates how many initiatives included in Acme PEO/HRO's offering Sample Client / Prospect is currently doing in the 11 essential parts of the Employee Lifecycle that, if not done properly or to their fullest extent, can hold back a company's cashflow, growth, and profits.

Not all employment, employee, and HR initiatives have equal "impact weight" against the shown objectives. So the illustration is simply a preliminary visual gauge to assist you in examining key business objectives that can aid in your success and help you protect your company.

Mr. Prospect, here's an example of an Employee Lifecycle Dashboard / Report Card for an example client company that, before joining us, was doing about 40% of things we offer them.

As you can see, there's quite a few areas that, if fixed or improved a bit, would significantly enhance their overall employment and employee picture.
